

## LIFE IN THE SPIRIT

March/April 2023

### Tips for leading your LifeGroup through this series:

-In order to be well-equipped to lead your group through this series, we strongly recommend that you take good sermon notes weekly and follow the featured reading plans on YouVersion. The group guides follow the sermon notes closely and are available at [www.whoisgrace.com/read](http://www.whoisgrace.com/read).

- Encourage your group to use the provided series journals for sermon notes and as they read daily. The journals include the read plan schedule as well as tips for memorizing Romans 8:18-39. Memorization is hard, but it is easier when done together!

The YouVersion Reading plan schedule:

- March 5- [Dip into the Book of Romans](#)- Trash Your Bible, 7 days
- March 12- [Tozer on the Holy Spirit](#)- Moody, 7 days
- March 19- [Renew: Romans 8](#)- Tim Keller, 5 days
- March 26- [Live by the Spirit](#)- John Piper, 7 days

-In order to follow the YouVersion reading plans with your group:

-Encourage all group members to set Grace as “my church” in their YouVersion app. When that is set, you will see our featured plan on the home page every week. The featured plans are from a variety of publishers, including the Grace writing team.

-As the leader, invite members of your group to read the week’s featured plan with you. Select “with friends” when you start the Grace featured plan. Select group members or share the link with them.

-Additionally, you can find links to the reading plans at [www.whoisgrace.com/read](http://www.whoisgrace.com/read) as well as a PDF explaining how to READ through this series.
