

Worship at Home Listening Guide

Elementary

Families, as your child sits with you during Worship at Home they can listen along with the sermon and work through this sermon listening guide.

Sometimes snow can help us
slow down

Draw a picture of something else that you do slowly

SELAH is a word found in the Bible and it reminds us to slow down and pause. Listen to the Bible verses in the sermon. Pause and write the word “**SELAH**” on each line as you think about who God is.

Christ has come.

Christ has died.

Christ has risen.

Christ will come again.

SELAH

Think of yourself like a **house** God is fixing up. At first he repairs the **broken parts**, but then he starts making **big changes** - because he is not just fixing a little house, he is turning you into a **beautiful palace** where he wants to **live**.

Always be joyful. Never stop praying. Be thankful in all circumstances, for this is God's will for you who belong to Christ Jesus.
- 1 Thessalonians 5:16-17

Circle the ways Paul is encouraging us to live our lives as followers of Christ.

He says, "Be still, and know that I am God;
I will be exalted among the nations,
I will be exalted in the earth. - Psalm 46:10

Draw a picture of yourself being still and thinking about who God is.

Jesus has come, he has died, and he has risen so that he can do something **big in your life!** When we know God's love we want to **share** that love and grace and goodness **with others**.

Who in your life can you share with that Jesus came, died, has risen, and will come again?
